

# STEAMER

GRS-6

Steam your way to perfection with our 6-level Steamer, designed for high-efficiency cooking of rice, fish, meat, and seafood. Ideal for busy kitchens, this unit combines powerful performance with compact design.

## FEATURES

### STEAM RELEASE PORT

Prevents too much pressure from building up inside the steamer chamber

### 6 TRAY INSIDE

6-level steaming capacity allows to cook multiple dishes at once, saving time and boosting kitchen productivity.

### FIRE CONTROL

The fire control in a gas steamer regulates the gas flow to the burner, adjusting steam intensity and cooking temperature.

### PORTABLE & MOVEABLE

making it easy to relocate for use or storage.
