

TOKAI®

CHAIN SAW

Features :

Tokai chain saws are made with high power and unique ergonomic designs with light weight that helps man to minimize the burden and maximize the performance in cutting the trees. The easy start system in Tokai chain saw made man to start up the chain saw with just 2 – 3 times pulling. The USA Carlton Saw Chain makes cutting tree much easier as it pierces through tree trunk within minutes. Tokai chain saws are suitable to for tough and simple pruning as some of the model is heavy duty for professional work.
